

How TelePrEP Works

1

Health and Insurance Inquiry

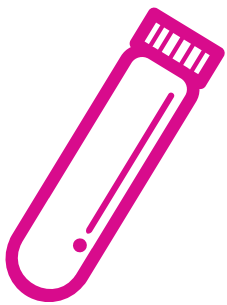

Answer medical and insurance questions; if you are eligible for TelePrEP, you can schedule a video visit with a provider.

2

Medical Provider Consult

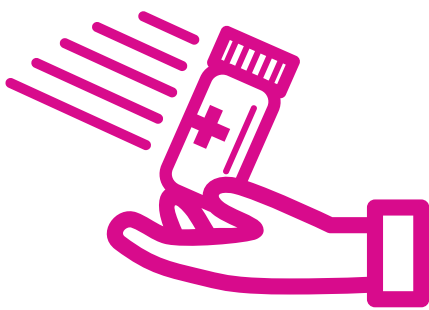

Consult with medical provider via MyMountSinai video visit.

3

Labs

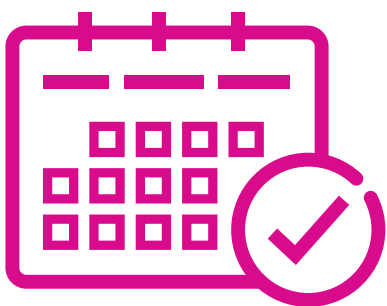

Labs are ordered for client for review of medical status for PrEP by provider.

4

Medications

Prescriptions sent to MSHS pharmacy if appropriate and home delivered at no cost to client.

5

Follow Up

Follow-up video visit is scheduled via MyMountSinai® (MyChart). Follow-up labs completed a few days prior to the video visit, will be reviewed at the video visit.
